

The TOWER BRIDGE CAT TRAIL

MY APPRENTICESHIP
RECORD

NORTH TOWER

HOW HIGH DO SHIPS
HAVE TO BE FOR
TOWER BRIDGE
TO LIFT?

THE BRIDGE MASTER

The Bridge Master is a very important person at Tower Bridge. He looks after everything and makes sure the Bridge opens on time. Bella the Tower Bridge Cat is his best friend.

SOUTH TOWER

WHAT NUMBER BUS
DO I DRIVE OVER
TOWER BRIDGE?

BABS THE BUS DRIVER

Babs the Bus Driver welcomes the passengers on her bus with a big smile. She travels across London in her red bus and driving over Tower Bridge is the highlight of her route.

SOUTH TOWER

HOW MANY COLOURS
IS THE OUTSIDE
OF TOWER BRIDGE
PAINTED?

POPPY THE PAINTER

Poppy the Painter is the newest member of Bella's team. She carefully applies the 22,000 litres of paint it takes to cover Tower Bridge. That's enough to fill 150,000 cups of tea!

How many spanners can you see in the racks on the walls?

THE TWINS
Eddie the Engineer & Olly the Oiler look after the twin engines at Tower Bridge. They love nothing more than fixing things, apart from playing pranks on each other that is!

How many team members work in the engine rooms?

HANNAH THE COOK
Hannah the Cook is proud to be named after one of the first women to work on Tower Bridge, who was also a cook. She loves to make chocolate chip cookies for everyone.

How much coal do I shovel every week?

STAN THE STOKER
Stan the Stoker works in the Engine Rooms at Tower Bridge. He uses his big shovel all day to ensure the boilers are full of coal. No wonder he has muscles like cannonballs!
